Great Parade Tomorrow to Start Rodeo

Plans All Set for Biggest Event of Its Kind in Village

When one of the greatest parades in the city's history gets under way tomorrow morning at 10:30 o'clock, Palm Springs biggest Rodeo will be under way with tons in everything in line for Villagers, winter residents and a large number of visitors from outside for the event.

Frank Rogers, who will do the announcing and who has been working at full tilt for the past

Chief of Police A. G. Kettmann said today that the parade would be cleared for the Rodeo parade and any cars left parked there would be towed away a half hour before the parade.

few weeks to insure the success of the event, says the line-up indicates this year's Rodeo will top them all.

THE ENTRY LIST includes some of the nation's top riders and international champions. The parade will display thousands of dollars worth of prize horseflesh and trappings. More than 1500 steeds representing riding clubs from all over the southland are entered.

At the Field Club starting at 1:30 p. m. Saturday and on Sunday there will be thrills for all from opening gun to close.

LEADING THE PARADE will be Wild Bill Elliott, one of the nation's top riders as grand marshal. Lyle Greenman, Los Angeles automobile man, is backing the show again because of his great interest in Rodeos. Andy Jauregui assisted in the preparation and selection of the valuable stock to take part in the show.

Ticket sales at the corner of Andreas and Palm Canyon drive indicate the great interest in the event. People who want to avoid waiting in line for tickets at the Field Club have today to get their ducats with ease at the downtown stand.

Coordination Aim Of Discussions

William J. Dunkerley, chamber of commerce manager, announced yesterday that there would be the first meeting today of all the heads of all the organizations in town for the purpose of coordinating events in the future. All organization presidents and others who wish to attend are urged to be present at Dunkerley to be present at the Fiesta House of the Desert Inn at 20:00

Recreational Bond Issue Study Started by Council For Election This Spring

Councilman Florian Boyd Wednesday introduced a resolution at council meeting, City Manager W. E. Alworth be instructed to compile a list of needed public improvements commensurate with the recreational status of the city for presentation to the voters in a bond issue.

He proposed that the suggested improvements, as many and as closely itemized as possible, be listed for incorporation in a bill to be presented to the electorate in April.

This was approved by the city fathers and City Manager William Alworth was instructed to start this project immediately.

Chairman for Desert Circus Committees Announced by Rogers as Plans Launched

Chairman of 11 divisions of the colorful Thirteenth Annual Desert Circus March 30 to April 2 were announced today by General Chairman Travis Rogers as he also made public the fact that the prize of this year's show will be a 1949 Buick Sedan.

Chairman Rogers' announcement lists several events chairman who have been active in the circus productions for many years, chief among these being Melba Bennett who again this year will produce the widely-famed Village Insanities. Other "old timers" in the circus production are George Roberson, Desert Inn luncheon; Bob Bennett, children's pet show; Phil Delano, parade; George Strebe, 49'er Celebration; Barney Hinkle,

Hotel and Apartment Ass'n. Organized by Village Group

Palm Springs Hotel and Apartment association came into formal being Wednesday at a meeting at the Fiesta House on Desert Inn grounds after more than a year of discussion and planning conferences by leading hotel men of Palm Springs.

At Wednesday's meeting, seventy-five operators and managers of hotels and apartments elected James W. Mann, manager of The Desert Retreat, president, and Arthur Meyer, owner of Villa Hermosa, as vice-president. Keith Herbert of Casas del Sol was elected treasurer, and Ruby A. Whidden of Harlow Haven, secretary.

OTHERS ELECTED to the 15-man board of directors are: Earl Coffman, the Desert Inn; Ted Christion, La Hacienda; Max Dresdner, Del Tahquitz hotel; Dick Edwards, Palm Springs Puelio; Jack Gorham, Estrella Villas; Twila King, Canyon View Apartments; Robert Levin, Palm Springs Biltmore; L. Moore, La Vienda; Stanley Rosin, Tahquitz Vista and El Encanto; Ralph

Frequent Winter Visitor Loses Fortune in Gems

A phantom burglar who raided the West Los Angeles home of Mr. and Mrs. Thomas R. Winans last week-end and escaped with gems valued at more than a quarter million dollars, took jewels which dazzled the eyes of Villagers last fall when the Winans were winter guests here.

Mrs. Winans were some of the costliest and rare gems at an affair at the Tennis Club, Villagers recalled today.

The thief robbed the Winans Los Angeles home while the couple were asleep.

They have been frequent visitors in the Village.

Gen. Wainwright Expected Here Early in April

General Jonathan Wainwright, Bataan war hero and national commander of the Disabled American Veterans, last week was said to have signified his intention of resting in Palm Springs in his forthcoming tour to California in April, according to Ray Hiller, adjutant of the local post.

It is planned by the local post if the general can make it here for a week or so—which appears quite likely—that there will be a tremendous Veterans' ball and celebration given at which all veterans organizations in the area will be invited to participate.

Trees and 20 More Benches Authorized by City Council

More benches—and trees to go with them—are on their way today as result of action taken by city council Wednesday.

A recommendation by Councilwoman Ruth Hardy of the Park Commission that Palm trees be planted along Palm Canyon drive from Tamarisk road to Ramon road was approved by council which in a later action, authorized 20 more benches for the Village.

Mrs. Hardy's recommendation followed an investigation by a special citizens committee headed by Ben Shearer on the need and cost of trees on the drive. It called for immediate planting of trees averaging 25

Cement Mill Fight Renewed By Guiberson

Industrial Zone Sought Under New County Ordinance

Samuel Guiberson's cement mill was in the news again today as county planners prepared to consider a request filed by his attorneys to set aside 11,000 acres northwest of Palm Springs as an industrial zone.

The request was filed under provisions of the new county zoning ordinance which became effective Monday and will be considered by county planners next Tuesday, Tyler Sues, county planner, said.

THE REQUEST, filed by Attorneys William W. Shaw, Riverside, and Zach L. Cobb, Los Angeles, on the day the new measures went into effect, asks that the 11,000 acres in the vicinity of the proposed cement mill be set aside by highway as a heart of town, be rezoned into a manufacturing zone where no permit is required for industry.

Such zoning is included in the zones which the ordinance says may be activated.

SHAW AND COBB filed petitions signed by 21 property owners in the area, including Guiberson, which asked for the de-controlled zone and said the county is lacking in industry and needs it particularly at this time. Supervisors passed them to the planning commission without comment.

Shaw said the petitions represented owners of roughly 4500 acres of land near the cement plant site. One of them was Sheriff James Stocker of San Bernardino county.

THE AREA for which rezoning was requested is irregular in shape, runs close to Highway 99, but comes no closer to Palm Springs than the cement plant site.

Guiberson's court suit for an injunction to keep the county from interfering with the plant is still hanging fire in federal district court in Los Angeles.

Another small property owner in the general cement plant area, Mrs. Victoria M. Barnes, appeared with Shaw before the county planning commission three weeks ago and asked that her property and Guiberson's property be rezoned just as the petitions asked. Her request was shelved until the ordinance became effective.

SHAW SAID the proposed zone included property owned by the federal government and the Southern Pacific railroad, who do not sign petitions for land use regulation.

The planning commission will, under the regulations provided by the basic zoning ordinance, hold public hearings on the petition filed today. Should the petition be granted and the zoning changed, Guiberson could proceed with the building of his plant.

How Are Your Ten Buck Bills?

Watch your \$10 bills—if any.

Secret service agents issued a warning Tuesday night that southern California is being flooded with counterfeit \$10 bills of a type circulated recently in the middle west.

Fred Wasson, agent in charge of the Los Angeles office of the Secret Service, said the counterfeit bills are on the Federal Reserve Bank of Chicago. He said they may be identified by the letter "G" to the left of the portrait, the designation "L108" directly over the signature and the number "1201" in the lower right hand corner on the reverse side of the bill.

Noted Net Stars To Appear Here

Noted tennis stars will be seen in action at Palm Springs Tennis club Feb. 12 and 13, it was announced yesterday.

Already signed up to appear are Bobby Riggs, Don Budge, Gene Mako and John Founoe. Two days of exceptional tennis are promised local fans in the Round Robin tournament.

Construction To Start This Year on Tram

Opposition Fades As Repeal Bill Author Withdraws

Opposition to the Mt. San Jacinto Tramway which resulted in a bill being presented in state legislature seeking repeal of tramway legislation, dwindled this week and the measure will be introduced by Assemblyman Vernon Kilpatrick of Los Angeles, its author, said Wednesday.

Tuesday of this week, Earl Coffman, head of the Tramway Authority was quoted as saying: "It appears now that bids will be let and work started on the tram long before the end of the year."

OPPOSITION GROUP led by Harry James of Altadena who represents conservation organizations, Kilpatrick said he introduced the measure as a courtesy to them but would not press it. It is doubtful whether it will reach the floor of the assembly.

"Claims that recreational advantages of Mt. San Jacinto will be destroyed by the tramway are just contrary to the facts," said Coffman.

WHEN THE TRAMWAY is completed, it will open a vast area of rugged mountain lands to winter sports enthusiasts, who can reach the nation's best ski slopes in a matter of minutes. In the summer, it will enable hikers and fishers to get into country ideal for their pleasures quickly without their being required to push their way on foot through miles of poor mountain trails.

Working plans for construction of the \$5,000,000 desert to mountain peak tramway are now being prepared in anticipation for calling for bids for the project, Coffman added.

Farmers Oppose Recreation Plan

Proposed county-wide recreation program ran into a snag this week at supervisors' session. C. C. Nordal of Hemet presented a protest against the plan from the county farm bureau.

"We recognize the fact that some recreation for youth is needed but not in a way that will break our backs," Nordal told the board.

No Damage Done In Two Fires Here

The fire department answered two siren calls Wednesday—one during the day to a house on South Arado where a heater had blown up, starting a blaze, put out before the department's arrival, and the other, in the evening was the starting of a blaze of a scrap pile at the high school.

No damage was reported in either case.

Tramway Engineer Finishes Work Here

"Steels" Steelman, popular construction engineer on the tramway survey work for the past few months, left Palm Springs Tuesday for work at Richland, Washington, on a government atomic project. He will stay there, on loan from his company, the U. S. Consolidated Steel Corp., until actual tramway construction commences, when he will return.

Bradsher Opens Skeet Club With Many Notables Present

Carl Bradsher, internationally known Skeet instructor, has opened his Skeet club on East Ramon road for the season and the spot has been the mecca for sportsmen and women from many points of the nation.

Last Sunday the northwest was well represented with shooters there from Seattle, Portland and other Oregon and Washington posts and many from Los Angeles and vicinity.

The club is open daily and patronage was brisk from the opening day. Bradsher, who spends his winters here and has for many seasons, put in the sum-

They Can Pyramid Until They Topple of Their Own Weight in Palm Springs

"As far as we are concerned, we are not interested in pyramid Club activities in Palm Springs," said Police Chief August Kettmann yesterday after consultation with City Attorney Roy Colegate when queried about the formation of at least three clubs in the Village.

"Unless we receive some complaints here at headquarters we will be inclined to take no ac-

tion against them. I personally feel they will eventually burn themselves out as just another passing fad," he added.

The question was brought up as a result of the formation of a five dollar club, a two dollar club and another one-dollar club here, in light of the current test trials in Los Angeles and elsewhere regarding the legality of the "clubs."

Shanghai Visitors Safe After Chilly Night in Palm Canyon

It took a trip from the land of some of the largest—and coldest—mountains in the world, China, to the mountains above Palm Springs, for Dr. and Mrs. Kurt Wenzel and their two daughters, Susanne and Gertrude, to find out what real chills can be like.

Both Dr. and Mrs. Wenzel are doctors of science and have been with the DuPont company in Shanghai for twelve years.

AS GUESTS of the Rancho Mirage Apartments, the Shanghai residents prevailed upon Sidne Greenleaf of the apartments to take them up the Palms-to-Pines highway Tuesday morning where they decided to get out of the car at the 4500 foot level in order to hike down to and through Palm Canyon.

That was at 9:30 a. m. By 8:00 o'clock that evening, with no word having been received from or of them, Greenleaf notified city police who, in turn, notified the sheriff's department. A plane was sent out

which finally located the campfire of the Wenzel party, and a posse was organized early Wednesday morning to search the area where the campfire had been seen.

AT 8 A. M. WEDNESDAY the party arrived in town under their own power, tired but glad to get back to human habitation—and warmth, after their hours surrounded by mountains, darkness and sub-freezing temperature.

Before dropping off to sleep later on at their Rancho Mirage apartment, they expressed their gratitude for the interest shown by the law enforcement officers and to the quick action by the sheriff's department.

No serious effects other than the cold and exposure were suffered by the foursome, and the safety of the party was attributed to their previous experiences of mountain-climbing in Asia and Africa.

Village Woman Hurt in Accident

In an early morning accident at Arguello road and El Alameda Mrs. Clinton Bauer, 532 South Calle Santa Rosa, was injured when her car was turned completely over in a collision with a taxi driven by Thomas Henry Stark.

Mrs. Bauer was attended by Doctor James B. Oliver who, after X-rays, disclosed she had suffered a broken clavicle plus other bruises and contusions. She was not hospitalized. Stark, driver of the taxi was uninjured.

The PUBLISHER'S Corner

by OLIVER B. JAYNES

MT. SAN JACINTO TRAMWAY may be started before the end of this year! Recent information released by the Tramway Authority indicates that the preliminary work will proceed without further delays. This good news came along when a lot of people had about decided that the tramway would never become a reality.

Up until a few months ago, developments were at a standstill. More engineering data was needed and there were no funds to pay for obtaining it. Then, through the efforts of the authority, the American Steel and Wire company was prevailed upon to allocate additional funds to complete the engineering work. The field work has now been done. It will take a few months for preparation of designs and specifications—on which a firm bid can be based. Once the bid is obtained, the authority can issue revenue bonds. It is believed by the authority members that market conditions will be favorable for the sale of the bonds. When the bonds are sold, a contract can be let and work started promptly. Everything should now proceed in this manner.

IT IS IMPORTANT that residents here in Palm Springs keep informed on this project. To this end, let us review it briefly. The act creating the Mt. San Jacinto Winter Park Authority was passed by the state legislature on May 25, 1945. It limited the bond issue to \$3,000,000, and this was soon found to be inadequate. On March 28, 1947, the act was amended by the legislature to remove any limit on the amount of bonds—and a few other minor changes were made. The probable cost is now estimated at \$5,000,000. There was opposition to the legislative acts and it took many years to get the authority set up.

The authority is composed of seven members, its chairman since the start having been Earl Coffman. The body is given wide powers pertaining to the construction and operation of the tramway—and other facilities connected with it. The authority has no preliminary operating funds. This handicap has been the cause of most of the delays. The steel company has advanced most of the money for field work—and the Palm Springs chamber of commerce has helped out a little.

Two points on which there has been some misunderstanding should be cleared up. First: These will not be state bonds. The bonds will constitute obligations of the authority only—the state is placed under no obligation for either interest or principle. Second: Development adjacent to the upper terminus will be controlled by the State Park Commission—since the area lies within the San Jacinto park. The authority may lease concessions there but not without the approval of the park commission.

EFFECT OF THE PROJECT on the Palm Springs recreational area is almost beyond conception. The world's largest tramway will be one of the greatest attractions in the United States. It will bring hundreds of thousands of people here, not only for winter and summer sports, but for the novelty of this thrilling aerial journey. The view from the tram car—and from the top of San Jacinto—will be breath-taking. Such an attraction will add to the fame of Palm Springs—already widely known from coast to coast and in many foreign lands. The tramway will undoubtedly be operated the year around. This is bound to greatly stimulate travel to Palm Springs in the summer.

It is safe to say that the building of the Mt. San Jacinto Aerial Tramway will mark the dawn of a new day for this whole desert-mountain area. It will greatly accelerate the already steady growth and development of the region.

A vast desert-mountain empire is in the making!

Amvet Drive Big Success Says Rollman

Saturday is Final Day of Week-Long Campaign in City

Based on results the first three days, an estimated 500 Villagers will have joined the Amvet Walking Blood bank by tonight and because of the great interest shown, the campaign will be continued one more day at the Palm Springs Department store, coming to an end tomorrow night.

Commander Jay Rollman of the veterans group organizing the idea expressed his gratitude for the fine response of the Villagers who have kept a waiting line for the needle which, in their words, "may save a life—it may be my own."

Rollman said that already there have been tangible rewarding results from the group's efforts—Tuesday afternoon he received an emergency call from the local hospital for a rare type of blood and within 15 minutes a donor had been contacted and was on his way to the hospital with the correct type of blood.

Rollman also wished to convey to the staff of the hospital his post's thanks for the staff's very helpful cooperation in this work. Mentioning Miss Delia Niland, a technician, in particular, he said she had worked through the first two nights of the week preparing the equipment necessary.

Complete results of the typing drive will be announced next week.

Crash Has Echo In Police Court

An accident on North Indian avenue Monday evening near Amado between two cars had no serious repercussions as far as the automobiles were concerned—but total damage was estimated by police to be less than \$100—but Glen Robert Stokes, Los Angeles, operator of one of the vehicles, was arrested on a 502 drunk charge.

He was released the next day with \$100 fine, payable tomorrow.

Streamlined Republicans Turn to Youth Says National Leader Scott, Here for Rest

"Palm Springs is the best place in America for taking a rest," said Hugh D. Scott Jr., Republican National chairman this week at his Desert Inn cabana where he was recovering from last week's stormy days at Omaha, Neb.

In spite of the blizzard which hit Omaha at the time of the conclave during which an attempt was made by former chairman, Carroll Reece, Harrison Spangler and Representative J. Brown of Ohio, to unseat him, "it was lots hotter inside the hotel than out during the debates."

BUT, LOLLING about in his bungalow this week, accompanied by pretty Mrs. Scott and his two right-hand men, Richard Walsh, assistant, and William C. Murphy, public relations counsel, Scott was at complete ease and he was glad and willing to discuss the future prospects of the Republican party in a frank, open manner.

The Republican party is hoping to put the "New Look in politics," Scott said. He plans to streamline old-party methods with an eye towards the youth of the country. On his second day here, his mail caught up with him to such an extent that his "rest" consisted that day of answering 265 telegrams, 160 phone

calls and writing 93 letters.

"PRACTICALLY ALL this correspondence was to and from young Republican members," he stated, "and that's the most encouraging note we have yet seen. From now on G.O.P. will stand for 'Great on Progress!'"

"During the past few years we have held the Republican party 'for the people—now we're going to take it 'to the people,'" he emphasized.

The Scotts and party were met by state Republican leaders McIntyre Farles and Phil Boyd plus Village leaders, Melba Bennett, Earl Coffman and others.

After a press conference in Pasadena Wednesday the GOP boss moved on to Santa Barbara where a four-day session was scheduled to start today with party leaders of the entire west coast.

On Road to Health

The many friends of Mrs. Raymond Wilson, well known Villager, were happy this week to learn that she is recovering speedily and satisfactorily from the effects of a major operation performed January 20 at Good Samaritan Hospital, Los Angeles.

Isabel Crocker of Girl Scout Troop IX was born in Denver, Colorado, on January 2, 1937, and she commenced her scouting activities with the Palm Springs Brownies. Her interest in scouting has resulted in record attendance of troop meetings and cooperation in all scout projects. Her hobbies are homemaking and athletics.

One Hospitalized As Result Blaze At Trailer Park

Firemen answered a call Tuesday afternoon at the Rancho Trailer Park, 1653 South Palm Canyon drive where a blaze was discovered in the bathroom of a one-story frame building in conjunction with a house trailer owned by George Furlone.

Cause of the trouble was said to be a gas leak in the bathroom as a workman, E. P. Kibbe, of the supplying company was connecting a new tank.

The fire was quickly quenched by the administering of water from the garden hose, with an estimated loss of approximately \$75.

Kibbe, however, was burned about the face and hands and was taken to Community Hospital where he was hospitalized for second degree burns of the hands.

Bingo Raid Case Continued Until Tuesday at Noon

Case against seven local men, arrested in a double-barrelled Bingo raid Friday night was continued until February 8 at 1 p. m. when they appeared for arraignment Monday in Judge R. A. Moore's Riverside township court. The continuance was on motion of Attorney W. W. Shaw representing the defendants.

Arrested in the first raid Friday night were Eugene Broughton, Jack Bryant and Cecil Lynch. Later that same evening, sheriff's deputies staged a second raid and picked up Paul Wilds Jr., and Jack Bender, Harlow Coppersmith surrendered voluntarily on a similar charge Saturday morning. Also involved in the case was Ralph Warner.

The raids were made on the alleged illegal games by Capt. C. F. McCracken, Lt. Fred Pratt of the sheriff's office and John Martin of the U. S. Indian office. The game was reported in progress on Indian reservation land and the seven men are held on suspicion of violating state and county anti-gambling ordinances.

Two Promotions On Police Staff

Two promotions in the department were announced this week by Police Chief August Kettmann. Former Sergeant Orest Johnson is now, as of Feb. 1, captain and will serve as assistant to the chief.

Capt. Johnson has been with the department since July 13, 1941 and has been a sergeant since 1944.

Second of the new boosts in rating is Jim Maynard who became Sergeant Jim Maynard Feb. 1. He will be in charge of the 4:00 p. m. to midnight shift. Maynard has been with the force for approximately five years, including a two-year leave of absence during which time he assisted the U. S. Navy in winning a war.

Dog Ordinance Pops Up Again

County supervisors this week again discussed an ordinance for licensing all dogs in the county and establishment of a pound to handle the stray dog problem.

Supervisor James I. Easley, head of a committee to study the problem, said Orange county's method had been studied and deemed best. Action of the board followed another petition filed this week asking action against stray dogs in unincorporated areas.

Legion to Stage Dance Saturday

Owen B. Coffman Post, American Legion, will stage a dance Saturday night at World Wars Memorial Hall with the Howdee Diwdee Rhythm Riders furnishing the music. It was announced this week.

Dancing will be from 9 p. m. to 1 a. m. with plenty of entertainment features for the visiting throng.

Spaghetti's still a low-cost dish...

but even more economical is the Gas to cook it!

GAS COSTS YOU EVEN LESS NOW THAN IN 1939!

One economical way to stretch your food allowance... or prepare a low-cost meal for a group... is to serve a spaghetti dinner. But far more economical, actually, is the gas to cook it. For gas costs you even less today than in 1939!

It's surprising in a way that we have been able to hold down the price of gas while the prices of almost everything we buy have risen again and again. Pipe, meters, shovels or wrenches... all cost substantially more than before the war. We have taken these increasing costs in stride and kept gas your household bargain by 1) serving more gas to more people... 60% more customers than ten years ago... and 2) striving constantly to find new ways to achieve greater efficiency and more economical operation.

So—whether you want to cook the most economical meal possible—or a company dinner with all the trimmings—gas is your dependable, low-cost servant. It's this economy... and superior performance in modern automatic appliances... that makes gas so popular in Southern California for cooking, water heating, house heating and refrigeration.

Sam and Leo Change Plans Of Operation

Sam Stuart and Leo Baker, an inseparable combination (Sam and Leo) for the past 13 years in Palm Springs and who found that alternating between their Cantina and El Paseo Market has recently become impractical, have now decided on a new method of operation.

Rather than each spending every other day at each place for the purpose of keeping in touch with their hosts of friends, Sam will now operate the El Paseo exclusively, while Leo will run the Cantina, which incidentally still carries the name Sam and Leo's.

Andrew Lester of the adult education department of Palm Springs high school, next Monday night will start a new class in art at the Art Center, meeting each Monday from 7 to 10 p. m. There will be courses in all classes of painting and sketching.

Polio Drive Extended to Meet Need

With the new extension date of the March of Dimes set at Feb. 15, local Co-chairmen Mr. and Mrs. R. M. Trezevant, said that they are quite hopeful of a "very substantial increase" over last year's total from this area.

Bad weather conditions during the early part of the drive, as originally scheduled, caused Riverside county campaign workers to allow the extension inasmuch as many people in outlying areas were unable to conduct their part of the drive properly.

"So far, the campaign has been progressing wonderfully," declared Trezevant, "and we're most grateful for the wonderful response we've received from the townspeople of Palm Springs."

With polio the worst in 1948 of any other recorded year, the efforts to stamp it out have been nationwide in scope. And since the summer months are always the worst, the drive is being concentrated so that the authorities may prepare for a possible epidemic this summer.

Donation cans are still kept in all public places and will be there for spare dimes, other coins or fold-in stuff. And the headquarters at 457 N. Palm Canyon drive will be open until Feb. 15 for donations too big for the small cans.

Mothers Club Plans Weekly Dance Series

Mothers club of the St. Theresa's school at a meeting last week decided that the best way to raise funds for the club's activities and have a good time doing it would be to start a series of weekly dances each Friday night for this purpose.

So tonight at 8:30 the fun begins. Admission is free (by donation only) and the entertainment committee in charge, Mrs. A. Caterinichio, chairman, has provided for door prizes and prizes for the different dances. Refreshments will be served.

"All dancing will be on the Western theme," said Mrs. Caterinichio, "and a good band—Mrs. Massie and his Palm Springs Rhythm Riders—will play for the affairs. C. J. Bruner will be caller for the square dances."

Others serving on the entertainment committee in charge of the affairs are Mesdames Natalie Viani, O. B. McElroy, W. Waldron, L. Schriefer and Pat Predenez.

Kids No Worse But They Have Better Material

"In general, kids aren't any worse than they used to be," Harold Butterfield, county probation officer, told a parent-teacher meeting in Riverside Monday. "More of their pranks are classed as juvenile delinquency these days."

Modern inventions have given the youngsters a wider range and the old pranks, dressed up in modern dress do more damage, was the gist of his opinion.

Federalists Meet Sunday Afternoon

Palm Springs World Federalists will hold a meeting next Sunday afternoon at World War Memorial Hall, Bellard road, officials of the local chapter said yesterday.

There will be a business meeting from 3 to 4 p. m. and an open meeting to which the public is invited, at 4 p. m. The meeting will be held in the Auxiliary rooms of the building.

J. A. Walker, Riverside attorney, member of the World Federalist chapter of the county seat, will be the speaker at the public meeting, it was announced.

American Red Cross has made more than \$500,000 worth of relief supplies available to Palestinian refugees.

HOW GOOD CITIZENS ARE MADE: Take a bunch of boys such as the above, about nine years to 12, start them off with the principals of scouting, call them Cubs and see what happens. The pictured group here happens to be the Palm Springs Cub pack representing many varied races and creeds, all preparing for their part in National Boy Scout Week which starts Sunday. These Cub Scouts were present at the big party last Friday night at the Boys Club. (Partridge Photo.)

Cub Scout Packs Stage Jamboree

At a joint meeting of the Cub Scout Packs last week at the Boys' clubhouse, the 10 packs of this area underwent a jamboree and court of honor.

Dr. Charles H. Baldwin was master of ceremonies at the master of ceremonies at the affair which consisted of merit awards to individuals and pack prizes. Over 200 persons and cubs were present.

Each of the 10 packs presented a skit and various awards were made for the different aspects of scouting depicted.

The Cubs expect to be busy next week in entering into the activities of National Boy Scout week which starts Sunday. They will be entered in the county-wide competition for the best display of scouting in an attempt to garner the big trophy to be given at the final judging in Riverside by the B'nai B'rith.

Ceramics Topic Of Andy Lester At Soroptimists

Soroptimists, feminine optimists of Palm Springs, at their regular Tuesday luncheon-meeting at the Chi Chi, were entertained and instructed by Andy Lester, art instructor at the Palm Springs high school.

Lester's subject was "Recreational Ceramics." In the business part of the meeting Thelma Spalding was appointed as chairman of the ways and means committee.

Guests present were Betty Allison, Myrtle McLean and Louise Thompson.

After the adjournment the group went en masse across the street to the Amvets' Walking Blood Bank at the Palm Springs Department store where the group went 100 per cent for blood typing.

Revenue Man Here March 4

A deputy from the internal revenue bureau's Riverside office will be at American Legion Hall March 4 to assist local tax payers on their federal income tax returns, P. C. Risley, in charge of the county seat office said Monday.

It will be the second visit here of a federal income tax deputy this season.

Museum Weinie Bake Next Week

Next Thursday the Desert Museum will hold its monthly weenie-bake, community sing, and star talk—if the weather permits.

"Bring your own utensils, weenies and buns. We furnish salad, beans, drink and dessert, at a charge of 50c per person. Persons interested must sign up by 5 p. m. on Wednesday, February 9. Meet at the museum at 6 p. m. and drive to site of program; return at 9," said Museum Director Lloyd Mason Smith.

The Atlanta Constitution was founded in 1868.

Boy Scouts Getting Ready For National Scouting Week

Boy Scouts, over two million of them, are getting set for the nation-wide celebration next week of Boy Scouts Week starting Sunday, said Harold Lienau, head of the Palm Springs district as plans were made for local observance.

On Tuesday, Feb. 8, the organization celebrates its 39th anniversary. Theme of this year's activities is "Adventure—That's Scouting." The activities of the organization, which since its inception in 1910 has had a total of 15,500,000 Scouts on the membership rolls, carries on through the more than 70,000 Cub packs, Scout troops or Senior Scout units.

Nationally the activities of the week will include ceremonies at Washington, D. C. by 12 outstanding Boy Scouts selected from all parts of the country, at which they will commence a two-year program to "Strengthen the Arm of Liberty."

In Riverside county the B'nai B'rith will sponsor the activities of the week by judging in Riverside of the best displays of scouting made in every community in

Employers Board Meets

A special meeting of the board of directors of the Palm Springs Employers Association was held Tuesday afternoon at Lee Berling's to discuss labor problems and their methods of handling in the Village area.

Last minute preparations for the dinner-dance later in the evening at the Chi Chi were also completed.

Labor Problem For Supervisors

Supervisors tussled with a labor problem this week—the difference between the fund set up in the annual budget for labor at the county fair at Indio and the union scale in effect in that area.

The budget provided wages running three and three-fourth

cents an hour under union scale. R. M. C. Fullenwider, fair manager, took his troubles to County Counsel Earl Redwine and Redwine took them to the board.

Supervisor James L. Easley moved that the county pay the difference but Supervisor William Slape thought it would be a dangerous precedent so Easley withdrew his motion. The matter has not yet been settled.

Woman's Club To Hear Noted Artist Monday

By RUTH MARTIN

Monday, February 7, is the day when John Mankin, famous young pianist, will appear at the Palm Springs Woman's club in a recital certain to please the most critical and discriminating of audiences.

Mr. Mankin is only nineteen years of age and made his musical debut in San Francisco April 27th, 1948, after years of intensive study with eminent teachers and he was awarded a scholarship from the University of Southern California during his preparation for a distinguished career.

John Mankin has the honor of being the winner of the Gainsborough Music Foundation award, the judges having been Jascha Heifetz, Joseph Czigeli, Amelita Galli-Curci, Richard Lett, and Harry Kaufman.

At one time the guest artist was soloist with the KFI Symphony orchestra and has given concerts throughout Southern California. He is sure to offer a most outstanding program as he has six concertos at his fingertips.

All are cordially invited to hear this brilliant musician at the Palm Springs Woman's club on Monday, February 7, at two o'clock.

Mrs. Johnson Guest of Honor In Los Angeles

Mrs. Perry Johnson of Palm Springs and Chicago was guest of honor at an outstanding luncheon given in Los Angeles on Tuesday by frequent Palm Springs visitors, Mrs. John Huck and Miss Claire Windsor.

Mrs. Johnson was the houseguest of Mrs. Huck during the past week.

Among the guests invited to the luncheon which was given at Mrs. Huck's and Miss Windsor's home were many who are well known in Palm Springs. Numbered in the group were the Mesdames Annette Honeywell, Hugo Kersten, George Crofford, Robert Hiller, Margaret Cosgrove (who was in Palm Springs earlier in the season as Mrs. Johnson's houseguest) Ouida Ross, Robert Mitchell, Glen McEwan, Frances Pearce, Loyd Dodson, Harry Kaufman and Bernard Rand.

Interesting Guests At Wonder Palms

Mr. and Mrs. Buddy Morris of the Morris Publishing Company will leave for New York this week after a desert vacation at Wonder Palms Hotel.

Other interesting guests at the hotel are Mr. and Mrs. Leslie Leiner of London, England; Mr. and Mrs. Louis Gerst of Los Angeles. Mrs. Gerst is fashion designer of women's play clothes Joy Kingston is vacationing there, as are Mr. and Mrs. Philip Savage Jr. of New York (Macy's).

Reception Honors Washington Guest

Teresa Fields' home was the gathering place Saturday evening for a number of friends who dropped in to meet her houseguest Mrs. Higginson Rogers of Washington, D. C.

Among those present during the cocktail hour were Mr. and Mrs. L. V. Britt of Desoit, Mrs. Richard Tracy, Mr. and Mrs. J. E. French of San Francisco, Mr. and Mrs. Tom Brant, Los Angeles, Dr. and Mrs. Henry Dollard, Miss Muriel Fulton and Mr. and Mrs. Charles Mathews.

Senator is Guest

Senator and Mrs. Harry Wall with their daughter Dorothy, of Chelan, Wash., are enjoying a month's vacation at Lantana Lodge. With them are the Senator's business partner, F. J. Williams, Mrs. Williams and daughter Frances.

Noted Singer Here

Connie Haines, the noted singer, will be a guest this week-end of Mrs. William J. Dunkerley, an old-time friend. Mrs. Dunkerley is the wife of the new chamber of commerce manager.

Doing the Village

with MOYA HENDERSON

To our way of thinking, the nicest party of last week was the luncheon and baby shower given in our honor, and we use the plural literally, by Betty Kieley and Ruth Vaicour at the Desert Inn on Tuesday afternoon. A line of pottery baby buggies, filled to overflowing with violets, paraded down the center of the table and each guest found a miniature, diapered infant seated in a highchair at her place. Guests included the Mesdames Harriet Henderson, Edith Lykken, Alice Hough, Abbie Omlin, Laura Greeley, Ruth DuRose, Neva Youngs, Helen Chambers, Jane Neel, Billie Moseley and Dottie Gorham.

To local Republican workers it was most stimulating and inspiring to have the opportunity of meeting the national chairman of the party, Hugh D. Scott, Jr., when he was in Palm Springs this week. Mr. Scott spoke briefly but effectively before a group, gathered in his honor, for cocktails at Club 25 on the O'Donnell Golf Course Sunday afternoon. Greeting and introducing guests was Melba Benning and the Villagers most ardent workers for the party. We also noted about the room the Phil Boyds, down from Riverside, Florian Boyd, Lyle Newcomer, the Earl Coffmans, George Robersons, the Foster Simonsens, Jacques Crommelin, Art Baileys, Muriel Fulton, Gretchen Wright, Ethel Whitehorn Gillette, and many others. Mrs. Scott, David to be just as charming and enthusiastic as her husband. The Mac Ferris accompanied the Scotts to the Village where they spent several days resting at the Desert Inn before leaving this week for Santa Barbara and a conference with Governor Earl Warren.

Out shopping for apartments this week were the newlyweds Mr. and Mrs. Don Miller who quietly stole off to Las Vegas last week to say their vows. Their return to the Village was delayed however when they became snowbound en route. Before the ceremony, Mrs. Miller was Lorraine Warme who keeps George Strebes ledgers straight at the Doll House. Don is with Weingarten and Hough and is a nephew of Esther and Al Weingarten.

Here and there, Connie Barleau taking off in a neat little outfit for a short flight over the Village. Ernie Dunlevie bursting his buttons over his first solo flight. He figures he was forced to the

air. It's the one place he can avoid Jack Gorham and his ever ready water pistol. Three Neel sisters out for a Sunday ride across the desert, Alice Butler, Marge Paul and Babs Lelano. Barbara and Barney Hinkle in elegant western garb at the Friday night dance at St. Theresa's school hall. Ditto Mary Jane Hicks, Dottie Gorham, Margaret Theriaud and many others. The shindig was a huge success thanks to the hard work of Natalie Viani and her committee. Enjoying the Girl Scout Winter Carnival at the Biltmore Sunday we spotted Josephine and Gordon Feekings, Dr. and Mrs. Charles Baldwin, Florence McRory, Hermine Rosine, John Dekkers, among the crowd enjoying the very fine show. Spotted Dorothy Fanning out shopping for a new outfit to go western in this week-end for the big rodeo.

Florine Kenaston and Billie Moseley whipped into the big city to rug braiding class and now you should see those beautiful braided rugs in production for Billies new home. Mary Delano has been busy dashing into Riverside to visit son Phil, Jr., who underwent an emergency appendectomy several days ago. The J. C. Jamboree at the Tennis Club Monday evening turned out to be quite some party. There was a grand turnout of Villagers and everyone had a wonderful time dancing or participating in the games. The J. C. are the ambitious outfit that made it possible for Palm Springs to be decorated at Christmas time.

Eastern Star Prepares For Annual Ball

The annual Sweetheart Ball sponsored by Palm Springs Order of the Eastern Star Luncheon club is scheduled for Feb. 10th at Lee Bering's.

The committee is busy with plans to make this a gala affair with an informal dinner dance starting at 7:30. "Judge" Leo Fields acting as master of ceremonies promises some excellent entertainment.

Early reservations are requested and may be made with any one of the following committee: Palm Springs, Mrs. Hazel West, 2788; Desert Hot Springs, Mrs. Edna Chamberlain, 581; Indio, Mrs. Alma Durkee; and Cathedral City, Mrs. Loleta Waller.

The club's regular monthly luncheon meeting will be held in the Blue Room of the Chi Chi today at 12:30.

Beach Visitors

Guests at Dinner

Mr. and Mrs. Harold Round and son Harold Jr., accompanied Mr. and Mrs. Talma Tanner from Long Beach for a week-end visit with the Austin and Walter McManuses, brothers of Mrs. Tanner.

Saturday evening they were guests at the Austin McManus home for a little family dinner party and on Sunday evening made up one of the Sunday supper parties at the Tennis Club. With them were Mrs. Dorothy Gazda and her brother-in-law Eddie Waller, who are in the Village for a short stay.

Mrs. R. F. Ball Luncheon Hostess

Mrs. R. F. Ball of Smoke Tree Ranch was hostess at a delightful luncheon held at the Tennis Club on Monday.

Mrs. Ball's guest for the pleasant occasion which took place in the Bougainvillea Room of the club included the Mesdames Duncan Anderson, Clifford Heintz, Channing Wells, James Kemper, Paul Helms, Nobel Banks, Robert Morrey, Henry Dollard, Nell Janison, and Edward Caulkins.

Vacations Here

In Palm Springs over the week-end as the houseguest of Mrs. Perry Johnson was Loures Nieto of Vera Cruz, Miss Nieto, a student at Anokia school, came to the village for the week-end with her classmate, Gail Johnson, daughter of Mrs. Johnson.

Mrs. Charles Montgomery and her three children arrived in Palm Springs yesterday in her private aircraft, having made the flight from Grove City, Pennsylvania. Mr. Montgomery is due to arrive next week. While here this winter they will be living at 334 Hermosa Place, the Palm Springs residence of Mrs. James Hammond.

Mr. Montgomery, along with Ray Schindler, famous private

eye, have recently opened a subdivision adjoining their hotel properties in Borrego Springs. Construction on their hotel, which will be modern in design, is due to start within the next few weeks. The Montgomerys will build a beautiful contemporary home in Borrego in addition to the hotel.

Visits in Village

Miss Beth Scott, former Palm Springs newspaperwoman, now on the staff of the San Diego Journal, was a Palm Springs visitor over the week-end.

Hay Speaks On European Trip to DAR

Cahuilla Chapter DAR celebrated their first year of existence as Bill Hay spoke before a crowded house at the Womens Club Building on Tuesday evening, February 1. His subject was "What We Saw."

He gave a fascinating account of the trip taken through Europe with an American team of Lawn Bowlers. There were 38 in his party and they played matched games in 44 sections. In each place they were royally received by the community.

It was a brilliant affair. All DAR ladies as hostesses. In the absence of the Regent Mrs. Cecile McCarty, the meeting was opened by Mrs. Agnes Wilbur, Vice Regent, who led in the Pledge of Allegiance to the Flag. Mrs. Violet Fowler sang with the audience one verse of America. Mrs. John Macartney being the program chairman, introduced Mr. Hay. She invited all to stay after the lecture and greet Mr. and Mrs. Hay and view some rare souvenirs they had from this interesting trip.

The committee in charge of the evening was Mesdames Reynard Joseph, Elmer Markham, Saul Ruskin, Florence Bacon, Kaur Paul, Agnes Pelton, Violet Fowler, Perle Swart, Evelyn Pell, Harlan Bosler, and Hershel Lutes. Mrs. Floyd Mitchell and Mrs. Howard Jay poured.

Social ACTIVITIES

Women's Circle Plans Session

Regular monthly meeting of the Woman's Circle of the Community Church will be held on Tuesday, Feb. 8, at 2:30 p. m. in the new Ladies Parlor of the church.

There will be a short business meeting, an interesting program has been arranged by Mrs. John Hormel, program chairman.

Several musical numbers will be rendered by Mrs. Malloy, a concert violinist from San Francisco. Mrs. Malloy will be accompanied by Mrs. James H. Blackstone Jr.

Grace Song Lime is going to speak on the Korean students from near her childhood home who visited her here in Palm Springs this winter.

At the close of the meeting tea will be served. All Palm Springs women are welcome.

Two Parties Fete Birthday

The birthday of John Marcuse was the occasion for two delightful parties this week.

Saturday night Mrs. Alexander Marcuse of Palm Springs entertained at the Racquet Club at the dinner dance in honor of the occasion.

Sunday afternoon a large cocktail party was given at the Marcuse home to celebrate the event. Some fifty guests gathered to wish Mr. Marcuse "Happy Birthday."

At the merry dinner party were Mrs. Lee Frank, Mr. and Mrs. Melville Rothchild, Mr. and Mrs. Walter Frank, Dr. and Mrs. Alfred Strauss, Mr. and Mrs. Stanley Sinton, Mrs. Sadie Collier, Mrs. Walter Lovell, Mr. and Mrs. Lloyd Simon, Gerald Frank, the honored guest Mr. Marcuse and his wife Mrs. Marcuse.

New Yorkers, Mr. and Mrs. Marcuse are the Village houseguest of their aunt Mrs. Alexander Marcuse.

Weekly Dances at La Paz Start Anew

The weekly rancho dinner and western dance, which has become a tradition at La Paz, will be resumed next Thursday night, Feb. 10, it was announced this week by Carl Rhodes, manager. The event will continue to be held every Thursday. Villagers are invited to attend the dinner-dances. Rhodes said. They will be held this year in the recently enlarged dining room which is open to the public.

Auroratone To be Shown Next Tuesday

A motion picture, "Music in Color" will be shown at the Woman's Club next Tuesday, Feb. 8, at eight o'clock, as a special feature of the Art Section under the direction of Mrs. Georgia Caldwell Freeman.

The picture will be a demonstration of a new Art-Form called Auroratone, which combines the harmonies of musical composition with color combinations. The remarkable process was discovered by Cecil Stokes who will be presented on the Tuesday evening program.

Realizing the tremendous possibilities for this new motion picture technique of "Music in Color," Mr. Stokes has placed all his patents in the custody of a California non-profit corporation which has been organized by interested medical men and psychologists known as "Auroratone Foundation of America."

The Foundation has now selected a site on the Dillon Highway just a few miles from Palm Springs for laboratories and studios. Here the natural, curative and soothing hot mineral waters of the desert are to be combined with the therapy of music and color.

The Auroratone presentation Tuesday evening will be open to the public.

Baby Girl Born To Sears Family

Happy parents of a new baby girl, born at the Community hospital at 12:27 p. m. Wednesday, February 2, are Mr. and Mrs. Lee Sears, 641 N. Palm Canyon drive.

St. Paul's Guild Meets Tuesday

Guild of St. Paul's in the Desert will meet next Tuesday at 1:30 p. m. at the home of Mrs. Truman P. Riddle, in Little Araby. After a brief business meeting the members will sew on articles for the bazaar to be held next December. Tea will be served at 4 o'clock.

Last week the Guild met with Mrs. Elaine Childs Elser as hostess. At that meeting it was decided to change the date set for the Rummage Sale to March 26 to avoid any loss of patronage. The date previously selected conflicted with the Desert Circus.

Plans were made to hold the Annual Shrove Tuesday Tea and Musical at the Shadow Mountain Club on March 1.

Homecoming Gala Affair

It was a gala welcome home party that took place at the Irving Florsheim home on Sunday evening.

Mr. and Mrs. Townsend Netcher, who had been living in the Florsheim house pending the owners' arrival, invited a group of his Palm Springs and Chicago friends to welcome Mr. Florsheim and his houseguests. Ed Davis and Henry Monheimer also of Chicago on their arrival here. Not even the four hours delay on train arrival put a damper on the merry evening.

Guests at the dinner party included Mr. and Mrs. Ernest Byfield (Mr. Byfield is owner of the Ambassador Hotel in Chicago and had just arrived for a vacation, Mr. and Mrs. Irving Netcher, Mr. and Mrs. Charles Farrell and Mrs. Dorothy Gray as well as the three honored guests.

Eight Dwellings Begun in January In Palm Springs

"Considerably lower than for the same period in 1948" is the comparison of building permits for the month of January, according to P. M. Swart, city building inspector.

With a total of 27 permits, eight of which were for dwellings, this year's totals for the first month amount to \$121,670. All permits other than dwellings were made for alterations or additions.

County Planners to Insist On Full Letter of the Law

County ordinances governing subdivisions and records of survey will be enforced more strictly in the future than in the past years according to a resolution adopted last week by county planning commission.

The ordinance provides that property owners planning to subdivide must obtain the commission's approval of lot design, drainage features and plans for opening and paving of new streets. That much of the ordinance has been enforced and it defines a subdivision generally as a parcel of land to be divided into as many as five parcels, each smaller than an acre, for resale and development.

BUT WHEN a parcel of land is

to be broken up for resale in fewer than five pieces, when it already has streets and the lot design meets approval—or if the parcels are all to be larger than an acre—then the developer has only to file a "record of survey" and the county has been pretty lenient about them.

But the new resolution provides that future records of survey must conform to the letter of the law and include information on 29 items including proposed land use of all lots and a study of existing use of surrounding property plus detailed information of streets, alleys, sewers and drain pipes.

PLANNING COMMISSIONERS indicated they believe the enforcement will tend to discourage "sloppy" developing of land that does not have to meet subdivision requirements.

Assistant County Counsel Horace Miller also advised the commissioners that they might require streets to be paved in order to be included in the record of survey type development.

Home Builders' Head Says Delay Now Inadvisable

The best investment an American family can make in today's market is the purchase of a new home, says Milton J. Brock of Los Angeles, president of the National Association of Home Builders.

The idea that it is wise to hold off buying a new house in hope of a decline in prices is not based on the most reliable information, Brock declares. Pointing to rising costs of basic commodities which go into the construction of every new home, Brock says that if there is a fourth round of wage increases in basic industries the price of new homes is bound to go up. He recalled that the Bureau of Labor Statistics recently forecast an increase in construction costs generally in 1949, at the same time forecasting that production would remain in high volume.

"Everything points to a firm market for new homes for years to come," Brock said.

Early publishers believed illustrations in advertising were a waste of space.

Acrobats, Tumblers, Circus Gymnasts, Wanted---at Once

By TONY BURKE

Acrobats, tumblers (not pig-eons) gymnasts, tight-rope or slack-wire walkers, trick cyclists or just plain hand-spring artists—don't be shy.

Remove that telephone from its cradle and dial 2193—pronto—you are wanted for the 1949 edition of the Village Insanities, the Big Show of the annual Desert Circus.

For this year's Insanities will have a real circus background. It was announced by Melba Bennett and the first call has gone out to the gals and fellas to add that extra tanbark touch—the feats of physical skill.

sound equipment, Ralph Marvin and Al Jenkins do the staging, Marietta Clay Borden and Gretchen Wright are responsible for costuming, Ernest Dunlevie and Robert Daley for scenery and props, Dorothy Snyder for make-up, Floyd Simon is in charge of the printed programs, Willard Geib for seating and tickets and Anthony Burke, Jerry Wyckoff and Malcolm McGuckin do the publicity and advertising.

Perhaps it is just a quaint coincidence that this refined spectacle will be presented on April Fool's Day, with two other performances preceding it on March 30th and 31st.

Snowplows Again Come in for Both Praise, Attacks

County snowplows are excellent in opening up highways in the mountains after snowstorms but they also sometimes make their own work futile by damaging automobiles so that there are no cars to drive on the cleared roads.

That's what E. M. Holm of Idyllwild told supervisors Monday as he said he was going to file a damage claim. He said snowplows damaged his car and 15 others but could remember but two of the names of the other owners.

He also said that in clearing the main highways, the snowplows blocked secondary roads. On the other hand, supervisors the same day received a letter from the Idyllwild chamber of commerce highly praising the snowplow crews for keeping highways open.

Road Commissioner A. C. Keith told the board his crews had worked night and day keeping roads open so communities would not be snowbound and Supervisor James L. Easley of this district, said the road crews had "done a wonderful job."

National Head Of 40 and 8 Here in April

Plans for the reception to be tendered A. Riley of Detroit, Mich., Chief de Femin de Fer, National Forty and Eight society, later this month and discussion of the coming 40 at 8 Wreck, to be held here in April, featured a meeting of members of Desert Voiture last night in session at World Wars Memorial Building, Bellardo road, Charles St. George, Chief de Gare, presided.

Riley will arrive in Palm Springs from Detroit February 26. He will be entertained by the local Voiture and Wilbur Davis of the Colonial House, chairman of the reception committee, is making elaborate plans for the event.

Members of the Forty and Eight from three counties will rally here in April for their annual Wreck. The event will be held in the auditorium at the American Legion Hall. Last year a similar meeting was highly successful and St. George has been assured that Forty and Eight members from many southern California Voitures will be here for this year's event.

He has also been assured that several out-of-state Voitures will be represented. More than 200 delegates will be present for the April meeting, St. George said.

Last night's meeting was attended by Desert Voiture members from Desert Hot Springs to beyond Indio.

Grocers Seeking Lower Milk Price

Grocers of the state, both independents and chains, united today in a drive to bring "excessive wholesale costs" from milk prices and give the consumer a better break.

Sponsored by the powerful California Grocers' association, composed of wholesalers and independent grocers, A. B. 3090, designed to force the bureau of Milk Control to fix prices for wholesale deliveries to grocery outlets separately from other wholesale deliveries was introduced by Assemblyman Glenn Anderson.

"Briefly, the purpose of the measure is to bring about a better administrative job on the part of the enforcement division of the Bureau of Milk Control," declared W. D. Hader, executive secretary of the California Grocers' association.

"A clause in the present milk control act provides for such a classification of costs. The enforcement division of the bureau has steadfastly ignored this provision. As a result, retail prices in stores have been unnecessarily high and the consumers have been robbed of millions of dollars over the years."

"The new amendment merely makes it mandatory for the bureau to comply with the law. Prices of milk to consumers will drop from one to two cents per quart if the measure passes, and with no reduction in the return to farmers."

"Safeway Stores has fought a long-running battle with the enforcement division of the bureau in the attempt to secure a reform in the administration of the laws. They have received no co-operation from officials. Instead, the firm has been vilified and its motives misrepresented. We thought it time for all the grocers to come to their support, and aid in halting this gouging of the public."

YOU MUST STOP—Safety Patrol Officer Sharon Hume of the city school system above gives a warning to motorists that they must stop before passing a stopped school bus. Howard Poe, traffic officer of the local P. D. and George L. Bond, transportation supervisor for the district schools, approve.

Lax Motorists Warned Not To Forget School Bus Law

George L. Bond, supervisor of transportation and director of safety for the Palm Springs Unified School district, today issued an appeal to the Palm Springs motoring public to assist the school's bus transportation safety campaign and maintain the high record set so far.

Bond, with the whole-hearted support of the police department, has evolved a safety program which has set a high mark for the Village and which has been widely copied.

He is asking motorists who are inclined to become lax at times, to continue their co-operation. Several have failed lately.

Chief of Police A. G. Kettmann has been much interested in the program and assigned Howard Poe of the traffic squad to the school bus patrol some time ago. Poe has worked with Bond in evolving the local program.

To help the motorist do his part, the rear of all seven school buses have been painted with the warning signs.

"The law requires that motorists shall stop going either direction when a school bus is loading or unloading children except when it occurs within the city limits of a municipality or on a four lane divided highway," Bond said.

Chief Kettmann and Bond worked together to select a suitable sign which was made into a stencil and painted on the back

Belated Returns Swell Christmas Seal Fund Here

Late Christmas Seal returns coming in at county headquarters indicate that the goal of \$26,000.00 will be reached according to Mrs. H. B. Menard, Seal Sale chairman for the Palm Springs district.

To date 15,686 persons had contributed \$25,282.39 according to a report issued from the Riverside headquarters at the week end," Mrs. Menard said.

Final figures on the campaign in the Palm Springs area will be compiled at a later date allowing time for late returns to be reckoned with the totals. "We are grateful for the generous response to this worthy cause," she said, "and for the assistance of all who have helped to make the Seal Sale a success."

"Give me a RING....
sometime"

Along with such Americanisms as: "Hello, there!" — "What do you know?" — "See you around" — the words of our headline are in constant use by friends who meet on the Main Streets of the Nation.

The expression, "Give me a ring sometime," voices the belief that almost everyone can be reached by telephone—an idea not extravagantly far from fact. America is the most telephonized country in the world — over 14,000,000 new telephones were added to the Nation's total during the past seven years, an increase of nearly 60%.

However, in spite of this remarkable show of progress, the Industry has yet some distance to go before every one who wants a telephone can have one and manufacturers and operating companies everywhere, including ourselves, are working hard to take care of all applicants as fast as possible.

Indians Meet San Jacinto In Big Game

Palm Springs Indians go to San Jacinto tonight in their fifth Riverside County League basketball game—and something is going to give.

The Indians and San Jacinto are currently in a snarl for second place each having won three games and lost one.

IN ANOTHER DECISIVE game tonight Beaumont goes to Hemet high. That, too, will be an important one and may see a radical change in the standing of the loop.

Hemet now leads with four games won and none lost. Palm Springs, San Jacinto and Beaumont are in a three way tie for second place. On tonight's games,

therefore, the title in the 1949 race rests. A Beaumont and Indian win would throw the loop into a three-way tangle for top spot.

COACH C. E. BALLAGH'S lads know that it's make or break tonight at San Jacinto and are preparing for a tough struggle. In four games to date San Jacinto has rolled up 194 points against its opponents 140. The Indians have scored 164 against their combined foes 160.

In other games tonight, besides the two which involve the top four teams, Coachella goes to Elsinore and Banning visits Peris.

Many local fans are planning to make the San Jacinto trek tonight.

Banning Quintet Trips Doll House Five by 77 to 50

In Tuesday night's basketball game between the Palm Springs Doll House five vs. the Banning town team at the Beaumont gym, the local lads were outscored 77-50.

Taking top honors for high points was the time-keeper, a Banning man, who took time out every time the whistle blew, thus running a normal one-hour game more than two hours. Also, thus, the heavy scoring. Also, one more thing, the fact that there weren't enough Doll House reserves to last the time out.

Which brings up the next point: George Strebe is most anxious to obtain some more good players for the team.

"The first string is a good bunch of players, but we are sadly hampered by lack of reserves. On two out of town games we have had to play with only six men. I'd certainly like to get three or four more good all-around floor men," he said.

Last night the group again made the trek to the Beaumont gym where they played Beaumont town team.

Big Area to Get Story of Village

Mr. and Mrs. Jack Gregson and Jack Feldmann of San Francisco are at Thunderbird ranch while recording a series of interviews and word pictures of the Palm Springs area.

These will be broadcast from their chain of six stations in the Bay Area on a transcribed program of a trip to the desert.

Mexican Colony And Royal Palms Quintets Winners

Monday night's basketball games of the city league, according to Bob Bennett, director, "were lulu."

In the opener the Royal Palms Hotel beat the Globe Trotters 40-32 despite the heroic efforts of Trotter Tyree Jessie who was high-point man of the game with 17. Don Stevens of the hotel five was high point scorer with 11 with Clem Kleiner nabbing nine tallies.

The second game was said to be a real thriller despite the poor indication of the score 17-8 in favor of the Mexican Colony who held the Lions Club team to six points the first half and only one field goal in the second half.

Don Allen refereed both games. Bennett said that starting with last night's doubleheader of Lions vs. the Royal Palms and the Mexican Colony vs. Jaycee in a tch. the games hereafter would be at 7:30 p. m. and 8:30 p. m. on Mondays and Thursdays, due to time restrictions at the high school.

Bennett further remarked that the games are very exciting and the many spectators have shown a great deal of enthusiasm at the contests. Admission to these and the county league games is free.

Breeders' Ass'n. Opposes Quarter Horse Wagering

Pari-mutuel betting on quarter-horse racing met opposition this week when the California Breeders' association in session in Los Angeles adopted a resolution against the bill now before the legislature permitting wagering on the races.

Many Village horsemen own quarter-horses of which they are extremely proud and many quarter horse races have been held throughout the southwest in which Village-owned ponies have taken honors. The local horsemen are watching progress of the bill in the legislature with close interest.

Walter McCarty, president of the Breeders' association presented the statement that legalized quarter-horse betting would result in confusion and controversy.

McCarty pointed out that the very definition of a quarter-horse is subject to dispute because the first stud book for the breed did not exist until eight years ago and there are at least three different registries.

Speaker of the State Assembly Sam Collins of Fullerton recently introduced a bill to permit pari-mutuel betting on quarter-horses as well as thoroughbreds and standardbreds.

Women's League Steals Show on Bowling Alleys

At the present time practically all the bowling leagues are maintaining their standings as reported previously: The Monday night Desert League is headed by Plaza Garage, followed by Frontier Shop, L. A. Lathing, Nardoni Bond and Insurance Co., Village Market and Adeline's Knotty Pine.

In the Tuesday night Women's League the Plaza contingency is also tops, followed by Benson's Texaco Service, DHS Desert Shack, Village Pharmacy, Bullock's and the DHS Nite Spot.

WEDNESDAY EVENING'S Mesquite League is composed of mixed teams—men and women headed by the Village Market and followed by Tops of Indio, Hitching Post, Arch Noble Realty, Hathaway's and Cork 'n Bottle.

Thursday night the Commercial League is headed by the Palm Springs Music Co. with Cork 'n Bottle, Del Tahquitz Hotel, American Legion, DHS Desert Shack and DHS VFW trailing in that order.

In an open pot game the other night Wilbur Neblung made a 245 for a 624 series.

Perhaps the outstanding night, from a spectator's standpoint, is the Tuesday night's tussles between the gals—for real entertainment it's hard to beat. The femmes, some short, some tall, some chunky and some lean all play the game with the intensity of real champs. For them it's serious business as they sweat each roll of the ball down the alley.

Sometimes the ball looks as if it will never reach the pins, and when it does the pins propagate each other in falling. Last Tuesday night a cutie on the Bullock's team started a slow ball down the alley—she finally made a strike but it seemed the pins were falling for ten minutes. After all "timber" had dropped, there were six pins on the alley or in the gutter, believe it or not.

ON THE OTHER HAND there are some who toss a terrific ball. Betty Santoro of Desert Hot Springs heaves the hottest speed ball. As a matter of fact she throws a much harder toss than most men, and when she hits 'em they stay hit.

Elaine McLaughlin pulled an "impossible" Tuesday night by knocking off an 8-10 split for a spare—a feat seldom duplicated anywhere.

For real entertainment Tuesday night is hard to beat.

Weiss Top Man In Loop Scoring

Eddie Weiss, star center of the Palm Springs Indians topped the scoring field in Riverside County League in both total points and average points per game.

His 26-point spurge last Friday night put him at the top with a total of 52 points this season in three games. Nearest opponent was Cowner of Hemet with 51 points in four games. Weiss' average is 17.3 for the league season. Cowner's, 13.

In total points scored the Indians are fourth in the loop with 164. Most of their games have been won by close scores as their opponents in the loop have scored 160 points.

Champion Camel Riders Compete

Among the many events to be featured at the Riverside County Fair and Date Festival at Indio, Feb. 18-22 will be competition for the title, "Champion Camel Rider of Riverside County."

One of the participants who will compete in the novel race will be Bill Williams, who has held the title of all-around champion cowboy of the Cowboys' Association of America for two years. Many other famous riders of Southern California also have signified their intention of competing in this event.

It is also expected that winners of the International Rodeo association competition at the Palm Springs rodeo this coming week end will also be invited to participate on camel-back.

Last Call for 1949 Tabs

Last minute warning:

If you haven't done it yet—do it now, today.

At midnight tonight penalties are slapped on motorists who have neglected to get their new 1949 tabs and the penalty doubles the cost of the license.

Department of Motor Vehicles maintains a branch office at Indio at the Plaza Hotel. That's the nearest one to Village residents.

The branch office will be open all day for those who have neglected to obtain their 1949 tabs or pay their fees.

Floyd B. Odium, president of the Atlas Corporation, entertained a number of guests at a dinner party at the Shadow Mountain Club, including Mrs. Robert Jackson, wife of the Justice of the Supreme Court of the United States; two sons, Stanley Odium, official of the Atlas Corp., and Bruce Odium, a student at U.S.C.; Hon. Oswald S. Johnston, noted corporation lawyer, head of the legal firm of Simpson, Thatcher and Bartlett of New York; Air Marshall Gerald Gibbs, R. A. F. representative of the United Nations military staff and Mrs. Gibbs; Boyd Hatch, executive vice-president of the Atlas Corp. and director of the Hilton hotels; Celia Edwards, chief librarian of the Atlas Corp.; Leon Cole, oil expert and geologist of Atlas and for other oil companies, with Mrs. Cole; Miss Madeline Jenkins, radar and X-ray reduction specialist of Richmond, Va.; Mrs. Viola Strauss, hostess at the Odium ranch at Indio; George Howard; Cliff Henderson, Edith Eddy Ward and Sallye Lasley.

For the occasion, Cliff Henderson inaugurated a new novelty surprise dance, with special music by the Todds and Michael Barton, with all members of Odium's party participating. The dance started with one couple being handed a broom, the task being to get it into the hands of another couple. The couple getting the broom is retired from the dance. The first surprise dance was won by Air Marshall Gibbs and Miss Celia Edwards, the pair winning a bottle of

champagne. The Odium party also heard recordings of original musical compositions by M. Alex Paul Schneberger, the maitre d' of the Shadow Mountain Club, who is also a talented artist whose original sketches appear daily on menus and bulletins, bright with humor.

Mr. and Mrs. Ken Colborn of Palm Springs gave a cocktail party at the club for Mr. and Mrs. David Phelps of Bel Air, the president of Phelps-Terkel and Mr. and Mrs. Stephen Bilkheimer of Beverly Hills.

At Sunday luncheon were Mr. and Mrs. Robert Davies of Beverly Hills, Mr. and Mrs. Robert Home, Mrs. Gordon Hunt and Mrs. James Kemper.

Mrs. Harold Bell Wright entertaining Beth Scott of San Diego. Notables from Filmland were Greer Garson and Buddy Fogelson, having lunch. Charles Winger having cocktails.

Turfman Gwynn Wilson of Santa Anita and Jack McKenzie of Hollywood Park dined together at the club.

Mr. and Mrs. D. D. Wildman celebrated their first wedding anniversary at the club, having spent their honeymoon at Palm Desert last year, staying at Desert Adobe over the weekend. She is the daughter of Dr. and Alma Brockway.

Others at Palm Desert Adobe were Mr. and Mrs. Le Roy Kamar of Blythe, head of the Colorado River telephone company; Mr. and Mrs. C. A. Winetrot, owners of Crater Lake Motors of Medford, Oregon; F. G. Klock, president of Klock, Inc., real estate and insurance firm of Pasadena with Miss Betty Ruder and Miss Patricia Call of Pasadena, the latter visiting Miriam Richards and Toni King at their desert home. Week end guests at Firecliff Lodge, who played tennis and dined at the club were Mr. and Mrs. Henri Haber of San Mateo; Mrs. F. V. Lloyd; Arthur Meeker, writer, of Santa Barbara; Fred Sammis, editorial director of McFadden magazines, including Photoplay which carries a two-page layout on Palm Desert in the March issue, with Mrs. Sammis; Ann Daggett; Mr. and Mrs. Charles W. Crawford of Westwood; John M. Robinson; Mr. and Mrs. W. E. Lawrence of San Marino; Paul A. Walters and Walter S. Payne of Reno; Mr. and Mrs. George A. Landis with their daughter from Los Angeles, he an insurance executive; Mrs. James B. Huber and daughter of Santa Monica; Mrs. Alexander Colder Jr. and son, Sandy of New Jersey.

Mr. and Mrs. W. G. (Bill) Hay, he the noted radio announcer, were dinner guests at the club of Dr. and Mrs. John Robertson Macartney. Hay entertained with stories of his trip to England last fall as head of the American Bowling team. Hay met many old friends at the club, whom he had known when he was announcer for Amos and Andy, during the broadcasts from Palm Springs. Mr. and Mrs. Hay

formerly owned a home in Palm Springs and have just purchased a new home in Westwood.

Mr. and Mrs. Walter Bothoff of Chicago, who are now occupying their beautiful new 14-room residence at Palm Desert, are regular guests at Shadow Mountain Club these days, entertaining numerous friends. Bothoff is publisher and chairman of the board of Stanford Rate and Data Service, which provides rates and facts about all advertising media and is used around the world.

Ruth Warburton, owner of the Warburton Red Roof ranch, who says she is now a dirt farmer since losing her foreman, had cocktails at the club with Mrs. Ewart of Rancho Mirage.

Bert Ripple, owner of the noted Ripple's date farm near Palm Desert, was at the club for cocktails.

Madge Riley, noted designer and manufacturer of western fashions for men and women, who originated the now fashionable suede clothes while a resident of Palm Springs, was at the club for cocktails with Miss Frances Pratt of Desmond's and Herb Carr.

After being snowbound at Dallas for four days, en route back to their home at Balboa Island from New York City in a new car, Dr. and Mrs. Lester C. Lowe visited Palm Desert for a day in the sunshine, reviewing plans for building a home soon on their property at Shadow Mountain Estates.

Mr. and Mrs. Bruce Edwards and small daughter, Joyce, of Bel Air and Edwards' mother, Mrs. Clarence F. Smith, had luncheon at the club. Bruce's latest picture, ready for release is "Prejudice."

Mr. and Mrs. Percival King Nichols, socialites of Pasadena who recently completed their new home at Palm Desert, entertained at dinner Mr. and Mrs. George E. Clarke of Palm Springs Town & Country and Mr. and Mrs. Jack Lynch of the Lynch Manufacturing Co. of Seattle, one of the largest furniture manufacturers of the northwest. Mr. and Mrs. Nichols formerly lived in Seattle.

The Shadow Mountain Club is losing Jordan J. Crouch who has managed the club since its opening and who is taking over the active management of two laundry plants at Johnson City, Tenn. which have been owned by his family for 46 years, employing hundreds of persons. He will spend most of his time in Tennessee but will commute by air to California, where his family will remain until the schools close in June. Crouch's post is being taken over by G. Arthur Chapman, noted hotel man, who has served as assistant to Cliff Henderson at Palm Desert and was in full charge of all operations in connection with the building of the club.

Pritzlaff Plans to Rebuild Finer Home at Palm Desert

"Out of the ashes shall rise a new home, more beautiful than the one I lost to the flames a few days ago. It shall be a house of charm, with a Mexican hacienda motif and it shall be filled with music and my friends from all the earth. Building it shall get under way at once."

So said Herbert F. Pritzlaff, honorary mayor of Palm Desert last night from his bed at Community Hospital, where he is recovering from burns and shock received when he barely escaped with his life from flames which destroyed his desert mansion at Palm Desert last Sunday morning, causing a loss of more than \$100,000, covered by insurance.

"I have lived in Florida and traveled the world, seeking the ideal place for my permanent home. Being among the first to build at Palm Desert two years ago, I shall live there always. My new home shall reflect the mood of the desert. It will have more room and more conveniences. There will be outdoor patios where my friends and I can loaf in the sun and relax under the star-lit desert sky and enjoy the romantic charm which was traditional in the days of the California Dons," Pritzlaff declared.

Pritzlaff, wealthy retired hardware merchant formerly of Milwaukee, Wis., was forced to flee his home, dressed only in shorts. He not only lost all of his personal belongings, including his clothes, wallet and car, but a priceless lifetime collection of

24-karat gold dinnerware with platinum centers, old Italian laces, precious stones and numerous objects d'art, together with valuable papers. Two wooden boxes containing diamond rings and family heirloom jewelry were buried unscathed in debris and recovered intact by firemen.

Pritzlaff has been deluged with cable and telegraphic messages, letters and phone calls, from friends in both the society and business worlds, offering him any help they may be able

Pension Fund Share

California counties were mailed more than \$17,000,000 to pay February blind and aged pensions and county administrative costs, the state controller said this week. Riverside county will get \$359,450 for the pensions and \$40,000 for the costs.

MUSEUM NOTES

Prehistoric Man will be the subject of tonight's program in the current Biology Series. In addition two films will be shown, the first a short one entitled "Shelter," and the second an excellent picture of ancient civilizations called "The Human Adventure."

This latter film is made by the Oriental Institute and depicts Man's rise from savagery. The public is invited to attend these Friday night Biology programs without charge. Eight o'clock.

TOMORROW, the field trip will

be an all-day one to the interesting and unique Elephant Trees in Borrego Desert. This will be the first time the Museum has conducted a trip to these trees—the only spot in California where they grow. Four miles of round-trip easy hiking is involved and the group will also visit the large gypsum mine located nearby. Bring lunch and water and meet at the Museum at 8 a. m. Return at 6.

On Saturday night, Dr. Chester Stock of the California Institute of Technology will present an illustrated talk on "Prehistoric

Animals of the Mohave Desert." Dr. Stock is a nationally known paleontologist and a member of the advisory board of the Desert Museum. Program open to the public without charge at 8 o'clock.

A SPECIAL PROGRAM will be presented at the museum on Sunday evening, February 6th, at 8 o'clock. At that time Perce Marples of this city will present his motion pictures on Tahiti and the Leeward Islands. The program, entitled "Islands Under the Wind," is open to the public. There is no charge.

Monday, February 7, the Desert stamp group will meet again at the museum. In addition to the stamp program the museum director will present his color films,

"Western Wayfaring," taken during his trip summer before last. The public is invited to attend; there is no charge.

ON MONDAY NIGHT, the Desert Stamp Group, with George F. Miller in charge, will hold its monthly meeting, at which time Ryland M. Gorham, Postmaster, will give a short talk on the change in postal rates.

The speaker of the evening will be John Hilton, mineralogist and writer, author of "Sonora Sketchbook" and many articles on gem areas in Desert Magazine, who will present an illustrated talk on the recent floods of Sonora, Mexico. Program open to the public without charge at 8 o'clock.

I Rise to Remark

The new "Fair Deal" could be a little more careful in applying the principles which go with the name, to some of its own actions. There is a storm blowing here in Congress, behind the closed doors of committee rooms, over the dismissal of the research staffs set up for the committees, under the Reorganization Act, and their replacement by patronage appointees, or by the return to the previous, unsatisfactory system of borrowing investigators.

If there was any action of the Congress which was non-partisan, it was the adoption of the Reorganization Act. I classed it, when I reported to you the following summer, as one of the outstanding achievements of the Congress. It was put through by men from both parties, and during Democratic control of Congress.

ONE OF ITS PROVISIONS called for research staffs, for major committees. Prior to that, committees had borrowed investigators from other agencies, or done without. You may well imagine that a man from one government agency was not going to investigate too rigorously, nor criticize too severely, another agency in the Washington bureaucratic maze; that is, not if he wanted to keep his job. The result: the departments and agencies, in presenting their cases, had committees at a disadvantage. We knew there was murder being done to the American taxpayer, but we couldn't find where the body was buried. The Reorganization Act changed that. Men of real ability were brought to the Hill, on the assurance that they were safe from the "spoils system," and sudden dismissal. I have in mind a man of 12 years' experience with the Federal Trade Commission; or men from the FBI, or the outstanding, able group gathered by my own committee. Appropriations. We were able to get some only because of the protection they felt the Reorganization Act gave them.

I have told you some of the results of their work.

THESE MEN have been fired by the "Fair Deal." Others were dropped without notice by the chairman of the Committee on Appropriations, and when they asked if they might not have some "notice," or time to look for other jobs, they were told, "You get your notice on November 2nd."

The same Reorganization Act, which the Fair Deal has interpreted to give no protection to these men, also says that these research men may not take jobs from Federal agencies for a year after they leave the Hill. That was intended to prevent an investigator who was getting to know too much about its duplications or extravagances. That is not unknown in Washington. Perhaps we can correct this latter difficulty by Congressional action, but it is a poor patch on the hole torn in the morale of the research staffs. We will have great difficulty re-creating them in the future. I regret particularly the loss of a staff of the caliber we were able to get together for the Committee on Appropriations. Some of them were partners or top flight executives of accounting firms in the East, serving without pay, because they considered it public service, and because the Reorganization Act had taken away the stigma of patronage.

In one committee, the situation was so obvious that Democratic and Republican members united to refuse approval of certain of the chairman's choices. The Majority on the Appropriations Committee was either better organized or better instructed; the Republicans weren't permitted to ask questions, let alone offer amendments.

Villagers' Views

Dear Mr. Jaynes: We have your editorial of Friday, January 7, 1949 in which you comment on the attack on Palm Springs by Al Johnson's writers. As his writers, we wish to publicly state that we meant no harm. There was no truth in our jokes. We want to go on record that there was no earthquake in Palm Springs. The buildings that fell in the street somebody had leaned against. It wasn't cold. The people who got frost bitten should have known better than to dive into a swimming pool full of ice. And the prices are not high. You have food in Palm Springs to fit every pocket—but who wants to go around with a pocket full of dog food. Strained—looking aside, we firmly believe the rest of the country accepted the jokes in the spirit in which they were written, just for laughs.

If you'll recall, we mentioned many places of business in Palm Springs and we think listeners will remember those names long after they've forgotten the jokes. We love the town and hope to come back soon providing the Palm Springs Rifle and Sharpshooting Society isn't waiting for us at the city line.

May Palm Springs remain unshaken, unfrozen and unexpensive.

Warmly yours
Mannie Manheim
and Charlie Isaacs

PALM VALLEY

With DON CAMERON

Television has definitely arrived in Palm Valley. Paul Kersten has been enjoying it at his Del Sol Ranch since November. Between the wrestling and the fights plus Arthur Godfrey, (even though he sounds better than he looks), you can't get Paul and Shirley out nights. This column carried the story a few weeks ago about the guests in one of our popular hotels watching the New Year's parade and Rose Bowl game. Now this week another one springs up. Always first with the latest, you might know it would be Doc Gurley. Doc and Paul do everything in a big way. If one plants a new 20 acres in Thompson seedless, the other plants 40.

Same with tangerines, early tomatoes and beans. Doc and Ruth installed their Motorola television set Monday at their Palm View Ranch, that's their newest one on Hwy 111 south of Palm Village. There to enjoy the new set Tuesday night were the Roy Boltons, Sam Blackwells, Don and Hilda Maher with young Bucky and Irene Atteberry. Don Maher says, a television expert explained the reason for our reception is, that while the beam will only go in a straight line and won't bend, but after going

from Mount Wilson right through San Geronimo pass, it does fall enough to hit the area where the three aforementioned sets are located. The stations received were KNBH and KTLA.

Reefa Deaton, (her husband John is the Beverly Hills Lincoln Mercury dealer), was at her Del Sol Ranch the past week-end. This will be her last visit for a while as she is off on a two months' cruise with a group of Los Angeles friends. They plan to fish, do some hunting in lower California and may go as far as Chile.

Visiting her parents the Ed Ewatts of Rancho Mirage, is daughter Jane. Her husband Harry Voelker now business manager for the Billings Montana baseball team, a farm club of Hollywood, is accepting a new position as business manager of the Wilkes Barre, Pennsylvania team owned by Cleveland. Harry is in Wilkes Barre now and Jane plans to join him there shortly.

At Rancho Mirage Apartments for two months, Mr. and Mrs. Coleman Hirsch of Cleveland with their children, Susan and Donald. Visiting Ruth Warburton, (her husband Don Duncan the parking meter king quite pleased that Palm Springs is now installing his machine. He told about his newest meter known as the Automaton. Axel Linus with guests, the Edward Gassmans of Chicago. Axel said, his one man art exhibit opened at the Palm Springs Women's Club February 7 for the balance of the month. Dan Dunlap, Long Beach, oil magnate passing through to his new ranch at Thermal where he is setting out 160 acres in cotton. Dan's evidently taking advantage of the All American Canal water and that 29 cents a pound the government guarantees on cotton. The Carl Hermanns from Laguna Beach, California are over there, but wishes he were back in his home here.

Townhall Given Face Lifting by Volunteer Crews

A pot luck supper rewarded the volunteer workmen and their wives at the townhall last Saturday night. Chicken pies were furnished by the Woman's Club and made by Leah Lewis and Mary Wolseth. Cakes and salads were furnished by Mesdames Davidson, Russell, Clark, Greener, Moon and Nordstrom, coffee made by Josephine Moon and hot biscuits by Victoria Scherck. Twenty four people enjoyed the repast and much was accomplished before and after. L. C. Lewis tinted the entire wall space, four of the women wielded brushes as well as Charlie Scherck, Muri Nordstrom and Jim Wolseth. Bill Hillery sent Dan Plum in his place. An extra cake contributed by Edna Cobb brought \$3.50. Plans were made for another work bee soon. Emil Greener and Claude Cobb rehung all the windows and framed them, new hardware was put on by Ross Davidson. The old Townhall has had a complete face lifting and the Woman's Club are considering the offer of the chamber of commerce to rent it by the year as a permanent club home with a sign outside and everything.

Sez I---

By MARY R. WOLSETH

One of the most outspoken opponents to the changing of the name of Cathedral City when the matter came up in a mass meeting expressly called for this purpose eight years ago was Sam Arner. I well remember how he held forth on all the hidden meaning of the name. Arner has been in real estate in our town since very early in its history and the publishing of his letter in which he has changed his mind has real significance.

"Your remarks about the wisdom of changing the name of Cathedral City to a one more associated with a resort and the desert have kept reverberating through my mind for several weeks. On two past occasions when a change of name was suggested I was one of those who opposed it. I did not like some of the names that were suggested and possibly to some of us old timers who came here when there were only a few houses in town the old name became a part of us, something like the feeling you have toward an old car that has always carried you through. I do now believe that we should adopt a name that is associated with the desert and that suggests a resort status. We are endeavoring to tell the world that we are a winter resort yet our present name does not imply this. It could imply that we are a cult center and is a misnomer that is handicapping us in our advertising. It is noteworthy that the able men who are spending millions in neighborhood resorts are using admirable psychology in giving their resorts names related to the climate and setting. Our name has no advertising value at all, in fact it is a log chained to our resort enterprises. The two names you suggested hit the right spot, Sunair or Palm Springs Heights. Let's get busy and get a name that means what we are, and that will tell the world what we are and that will make prospective tourists want to stay here. Individuals often change their names legally when the name holds them up to ridicule and embarrassment. There is just as much justification for a resort town living off of tourist dollars to do the same thing.

Respectfully yours,
Samuel I. Arner
Desert Realty Co.

Transportation To Club Event

Cars will leave from in front of the town hall at 12 o'clock tomorrow, Saturday, Feb. 5, for those who have no transportation to the Carrillo cafe, Indio, where the Woman's Club luncheon will be held. Mrs. Grant Wheat, Southern District Federation chairman of International Relations will speak on "Women of South America." Members of the

Cathedral City Round-Up

The first community sing will take place next Sunday at 7:30 p. m. at the home of Warner Moon, 770 North Cathedral Canyon drive. Over forty citizens responded to the invitation broadcast by Professor Kyle. Those who have taken part in such activities in other communities say it is one of the best ways of having fun. Warner Moon, among his other talents, has helped Hugo Kitchlofer in Alhambra where Warner was president of the Community sing for five years and attended them for thirteen. When the Professor heard of this it was the inspiration for the new community sing. The only cost is estimated to be about 35 cents for a song book.

Local Boy Scouts, almost twenty five in number, from Troop 81. They are being entertained Thursday Feb. 10 at a dinner by the Lions Club in the Totem Pole Cafe at which they will be presented with the troop charter and a flag purchased by Russell Smedley. The event is in honor of National Boy Scout Week.

Claude and Edna Cobb have often wondered how their garage down at the ranch would accommodate a square dance party, so last Saturday they invited twenty guests. Thirty five turned up and the party was a great success. Edna said the theme song was "smoke gets in your eyes" as cooking wenties with a garage door going up and

down gives a terrific down draft. Warner Moon, librarian, was a happy man last week as he sorted and catalogued 114 new children's books for the local shelves. He is in consultation with the teachers for further additions.

The Community Chest drive closes next week. Two thirds of the Cathedral quota had been reached this week the block hostess group from the woman's club who canvassed the residences turned in over \$200. Professor James Kyle and Claude Cobb worked the business houses and say they have a few more to do. The Ranch area around the Del Sol area was covered by Onus Ward who turned in over \$90.

A baseball diamond is being constructed by Wilber Larrison in the cave south of the highway at Avenue 38. The lads from the ranches have expressed a desire to form a Cathedral Ball Park and some of the merchants have promised to purchase suits and equipment if the enthusiasm is sustained sufficiently to form a ball club. Wilber says he'll do his part and then it is up to the boys themselves.

Joseph Barclay, 81 years old, father of Russ Barclay died in his home in Canton, Ohio, last Sunday of a heart attack. Russ and Lois attended this sixtieth wedding anniversary last Christmas eve and are happy in that memory now. The community extends its deep sympathy to Russ and Lois.

Much Business Transacted By Cathedral City C. of C.

Among actions taken at a special meeting of the Cathedral City Chamber of Commerce last week and at the regular meeting this week was one to give joint participation in the Town Hall to the Woman's club to provide for their activities requiring club-house space.

As a goodwill attraction to tourists, winter residents from Olympia, Washington were granted free use of the town hall for the first of what is planned to be an annual dinner and get-together.

An equitable agreement has been entered into with the water company for installation and maintenance of two additional fire hydrants. A survey of the land for the recreation park was accepted. The state inspector has approved the purchase for school purposes of the property at present held by the chamber of commerce, the proceeds to go towards the park development on the new site, as soon as the sale is consummated.

News Notes From Catholic Church

Father Leissler, pastor of St. Louis Catholic church gives out a weekly paper of church notices and from it are taken the following excerpts:

"Beginning next Tuesday and every Tuesday thereafter at 4 p. m. in our hall, there will be instructions and practice for all boys of 5th grade and up who are interested in serving at the altar of our Lord."

"Have you noticed the improved appearance of our altar through the addition of the 6 oak candlesticks, the new hanging crucifix, the set of gilded ciborium? Our parish is indebted to a missionary society in Philadelphia for the crucifix and ciborium."

"A big social is being planned for St. Valentine's night, Monday February 14. This affair promises to furnish good food and an enjoyable evening. Each lady in the parish is to make up a box of food, the quantity and quality of which will be announced later. The name of the woman who makes up the box with the contents and the girl as dinner companion will go to the highest bidder."

"A phone has been installed in the rectory. The number for the present is 1664."

Indio club have also been invited to take part.

Artists Planning Special Exhibit At County Fair

By J. MARIE ROPP

Through the great kindness of Mrs. Thorwald Probst the California Art Club has acquired a beautiful painting done by her late husband and given in his memory to establish a special Thorwald Probst Prize Award. The outstanding excellence of this fine painter's artistry won for him enduring fame. In November, Mr. and Mrs. Probst were house guests of the writer's and negotiated for a home in Palm Desert. They planned a lovely studio and mecca for artists not far from the Palm Desert Art Gallery.

Plans are being completed for the presentation of a special art feature at the Riverside County Fair in Indio, the theme being "Memories of 1849" honoring the State Centennial Celebration. Pictures will be chosen by the director from the Desert Magazine art gallery.

This is a diesel ... a modern locomotive that means better service to you.
Leaders of two unions think it's a feather-bed ... a "make work" grab that means less service to you.

● Leaders of unions representing railroad engineers and firemen seek to force railroads to add extra, needless men on diesel locomotives. This is sheer waste—a "make-work" program which would mean fewer improvements and higher costs—for YOU!

Railroads use modern diesel locomotives because they are one of the means of giving faster, better service to you.

Two men compose the crew of a diesel. They occupy a clean, comfortable cab at the front. The engineer handles the throttle. The fireman sits and watches the track ahead. With no coal to shovel, he has practically nothing else to do.

No Benefit To You
Now the leaders of the Brotherhood of Locomotive Engineers and the Brotherhood of Locomotive Firemen and Enginemen want to use the diesel locomotive as a means of forcing a feather-bedding scheme on the railroads. The extra men they propose to add to the diesel crews are not needed. There is no work for them.

The union leaders are fighting among themselves about which union should furnish these extra, needless men. The Brotherhood of Locomotive Engineers have even threatened a strike. You may not be interested in this dispute of these two unions, but you would be vitally concerned if these groups succeed in putting through this feather-bedding scheme, because it would mean a slowing up of the improvement program of the railroads—of which the diesel is the outstanding symbol. Diesel crews are among the highest paid

railroad employees—real aristocrats of labor! Their pay is high by any standard. Granting of these demands, therefore, would mean that the railroads would be paying out millions in unearned wages to those in the very highest pay brackets.

We'd Like To Spend This Money On You

You know how much the diesel has meant to you in increased speed, comfort and convenience. The railroads have many more of them on order for even greater improvement in service to you. But needless drains of money, such as this present demand of the unions for needless men on diesels, reduce the ability of the railroads to spend money on better service for you.

Proud as the railroads are of the diesel, it is only a small part of their improvement program. Since the War, literally billions of dollars have been spent on improvement of

tracks and stations, on new passenger and freight cars, as well as on diesel locomotives, and on the many other less conspicuous details of railroading that contribute to improved service.

Feather-Bedding Means Less Service To You
But brazen feather-bedding schemes like the one now proposed would, if successful, divert large sums of money from our present improvement programs. Even worse, they make improvements like the diesel worthless, by making the cost of their operation prohibitive.

These demands are against your interests—as well as those of the railroads. They are schemes to "make work." Neither you nor the railroads should be forced to pay such a penalty for progress.

That's why the railroads are resisting these "make work" demands to the last ditch—and why they are telling you about them.

Marriage Topic
Of Home Class

The home management class under the direction of Mrs. Elda Murphy is reading many interesting books for class discussion. Their subject is "Approaching Marriage." The object of the class is to prepare the girls in domestic affairs. The class has had many educational lectures by various speakers some of whom are: Dewey Mason, representative of the Occidental Life Insurance company, who spoke on "Insurance Company Plans for Savings." Dr. Kay Simpson of the high school faculty spoke on "Hereditary." Dr. James H. Blackstone Jr. of the Community church, who spoke on "The Meaning of Marriage Vows," and also "The Importance of Spiritual Training in the Family."
Mrs. Murphy says, "The girls in class are very grateful to these people for coming to them with their very inspirational talks, and this will enable them to think more clearly through some of their future problems."

Senior Formal
Is Merry Affair

Stardust, the theme of the senior formal was carried out with the dance programs, decorations and music. It was planned by a senior class committee.
The music was supplied by the dance band, directed by Gustave Patzner. The decorations were very lovely. Blue and silver predominated. A large silver star hung in the center of the room and blue and white crepe paper was draped from the corners of the room to the star. The dance programs were blue with silver stars and stardust sprinkled on them.
Pink punch and cookies were served as refreshments.
As Mr. Patzner said, "It was the best dance of the year."

Gustave Patzner,
Band Instructor,
Honored at Game

Gustave Patzner was honored last Friday night during the half-time of the Palm Springs vs. Elsinore basketball game for the outstanding reputation which he and his band have earned in the last two years. The ceremony was executed in true royal style. Joyce Skuse, the drum major, gave the signal, and the uniformed musicians marched out on the floor, went through several maneuvers, and finally formed an archway from one end of the huge room to the other, through which Gustave and his wife were to walk.
Another signal from Joyce and the band began to play as Mr. and Mrs. Patzner slowly walked to where student body president, Jim Willis, was waiting at the microphone.
As soon as the couple reached the spot where Jim was standing, the band stopped playing and Jim presented a large, brown scroll to Mr. Patzner. It officially dedicated that evening's game with Elsinore to Mr. Patzner.
Then it was Gustave's turn to look on as his wife was given a large bouquet of red roses, and a few words of thanks by the maestro and his wife walked back through the human archway, and the band filed into their grandstand perch.
Before the ceremony took place Mr. Patzner had been informed that his band was to be honored that night, however, he had not been told that the evening was to be dedicated to him and his wife. Consequently, he couldn't understand why he was almost begged to bring his wife to the game that night. The league game with Elsinore was chosen especially for the occasion, because Mr. Patzner is a graduate and official, if not an altogether faithful alumnus, of Elsinore high school.
When Gustave was asked, after the game, what he thought of the half-time activities, he replied, "A man can have a job assigned to him, he can carry out his work and receive a salary, but there's nothing like having your accomplishments genuinely appreciated by those people for whom you are working."
—We won too!

Bill Hay Heard
At Palm Desert
Church Service
At 11 a. m. next Sunday at Palm Desert Community Church the third in a series of sermons on "Great Words of the Bible" will be preached by Dr. J. R. McCartney, minister. It will be on "The Word That Opens Heaven." Sunday school classes at 10 a. m. and the church services, will be held in Shadow Mountain Club.
Last Sunday Bill Hay, noted radio speaker, and well known in this area as a winter visitor and for his annual participation in the local Easter Dawn service, read the Bible lesson.

Victory again for Palm Springs high against Elsinore Friday night in the Injun gym. Mr. and Mrs. Gustave Patzner were the honored guests.
After the game there was a shindig at Janet Jaynes where there was seen such characters (no offense) as Betty Wright and Tyler Gilman, Mary Pender and Dick Clarke, Peggy Carury and Raleigh Riddle, Bea Bailey and Chuck Bond, Yours Truly and Corky Hammond, Mary Frost, Sandra Cordrey, Dick Banning, Eugene Masuda, Ken Frost, Nicky Nichols and Frank Purcell.
Saturday night there was the senior formal and it was nothing but fine. Some of the Stardust couples were Marlene Knowler and Bobby Jones, Lois Wrathall and George McAlister, Sandy Veano and Chuck Blackhart, Ann Wells and Jay Hughes, Audrey Benson and Frank Keeney, Marilou Troy, Noel Brush, Katie Mills and Gary Day, Joannie Baker and Marshall Thompson, Sue Waite and Gene LaSalle, Vicki Matloff and Bob Shaffer, Mary Youate and Eugene Masuda, Pat Warren and Buddy Sales, Shirley Maezac and Lopez, Angel Perry and Bob Hall. These are just a few of the many.
After this gala affair a few couples dropped over for more dancing and eats at the adobe of Yours Truly. There was Connie Nash and Bob Bell, Mary Frost and Corky Hammond, Jackie Kingsbury and Bill Harman, Marleen Watlet and Kirk Kaste, Pat Williams and Tyler Gilman, Adele Woods and Bill Hotchkiss, Barbara Jones and Greg Brown, Beverly Brown and Kenny Jackson, Betty Wright and Ben Chaffey, Mary Pender and Dick Clarke—and Nicky Nichols, of course. The "Five by Fivers" stayed for a slumber party for Bey (who's moved to Glendale). There was Barbara, Betty, Adele and Mary.
Have you heard about the "Big Seven"? It's Ned Tanan, Joe Flaven, Bob Anderson, Jim Willis, Don DuBoise, David Harper and Gordon Inman. They are about to purchase a limo-zine so they can sport their overcoats, hats and levis in style. For further reference see "Ye Olde Bulletin Board" outside the office.
Sunday night we spied Joannie Margolies and Chuck Craft, Dick Henson, Clayton, Bob San-deffer etc., watching the love-life of Don Juan intently.
It's time for the answer game and here's hoping this one is negative. "Will the Big Stars become effective in Palm Springs?"
Til then—Brownie.

Formal Fads and Fashions
At the senior formal Saturday night there were some of the latest fads in fashion designs.
Adele Woods looked like a "Stardust melody" with her ballerina length, strapless gown of aqua taffeta skirt and white brocade bodice. Her strawberry blond hair was pulled back in curls and sprinkled with blue and silver stardust.
Wearing another gorgeous ballerina length outfit of ice-blue satin was Joannie Margolies. Her matching half gloves and black heels completed the picture to perfection.
Still another in the ballerina length was Sandra Veano, who wore a happy dress of lavender organdy and ballet slipper.
Mary Katherine Mills was wearing an exquisite strapless formal of cocoa brown net with a matching stole. The bodice of the gown is studded with sequins and blending colors.
Sonya Hulme looked adorable in yellow taffeta, draped into a huge bow in the front of the skirt.
A silhouette of black mar-quisette covered with sequins describes Joan Gaelich's formal. Mary Pender's strapless, white net, trimmed in gold, gave a cloud-like contrast to her long, dark bob.
Like a picture out of yesterday stepped Judy Bell Spalding in an old fashioned ballerina dress of green taffeta with a matching cape.
These are just a few of the various ideas for the formal fashion plate this season.

The total sum collected was \$45.98.

New Members

Church Sunday

New members will be received into Community church Sunday and Arthur M. Peterson, recently elected to the Board of Elders will be ordained.
The Rev. James H. Blackstone Jr., will talk on the theme "How Much Do We Owe God?" The Sacrament of the Lord's Supper will be served to all regardless of denominational affiliation.
Young People will meet at 6:15 p. m. for their meeting in the Church Parlor. There will be special music and the speaker of the evening will be Mrs. W. J. Jansen. Mrs. Jansen has been a leader of the young people's work in several of the leading Hollywood churches, and is the teacher of the Young Adult class in the Sunday School.
At the evening service at 7:30 p. m. two Junior Choirs will be present to sing and Rev. Blackstone will preach on the "Life of Samuel, the King Maker." Any who are not able to attend the morning service will have the opportunity to partake of the Sacrament of the Lord's Supper during the evening service.

Assembly Peps
Up Students for
Basketball Game

The purpose of the assembly, Friday, January 28, was to spur the team to victory, and to "pep up" the rooters.
Brownie Brown started the assembly with a serious talk urging the students to work toward one united goal—school spirit. This was followed by a chorus line of girls singing a pep song. They were wearing the red and white striped socks, which the team wears while playing. Included in this musical line-up were: Connie Nash, Marleen Watlet, Barbara Jones, Brownie Brown, Adele Woods and Betty Wright.
There was a pantomime then, of a typical bleacher scene. Seated on the bleachers were: "the lovers," Jim Willis and Nancy Nye, "the old woman who persists in bringing her knitting to the game," Jackie Kingsbury, and "the rowdy rooter," Corky Hammond.
Entering the scene later were: Elaine Purnell and Donella Knupp, "the little characters," Vicki Matloff and Sandra Veano, "the eaters" and Audrey Benson, "the siren." The cheerleaders came on the scene and led the "Big Fifteen" yell. Nick Granger played two boogie pieces on the piano, and the assembly ended with Brownie Brown singing, "Shanty Town." This assembly was originated and directed by Sandra Veano and Brownie Brown.

Approval Voted
For Monitors

Hall monitors are definitely "in!" This subject of monitors, that has been in controversy for quite a while, has finally been decided.
Those who are interested in becoming monitors, should submit their names to the student council. Every six weeks this body will vote on these names and choose two or three for each period.
Monitors will receive sufficient merits for their work.
Students must report to the monitor whether excused or not.
Monitors will be responsible to take names of all students whose friends included, because demerits will be given if these rules are ignored. Let's all have our passes, hmmm?

The total sum collected was \$45.98.

More Safety for Patrons

Desert Hand Laundry this week completed a new step to insure greater safety for laundry left with them. H. Paul Kleuter, manager, said yesterday.

A sprinkler system to go into operation at the first sign of fire has been installed.

Junior Chamber Does O. K. At First Annual Jamboree

With final tally of the financial returns of the Junior Chamber of Commerce Jamboree at the Tennis Club Monday evening not yet in, according to Bill Myers, chairman, it was learned how- ever that there was at least enough to pay the remainder due

on the Christmas decorations which the Jaycees sponsored.

The party, itself a big success from attendance standpoint, kept the club jammed on into the night as the Jaycees and their guests indulged in games, danced or listened to most of the entertainers of the Village per- form. Miss Ann St. Clair was chosen as Miss Palm Springs and will participate as the official entrant from here at the Indo Date Festival for the title Queen Scheherazade Feb. 18-22.

House Committee Employers' Ass'n. Plan Authorized Meets at Dinner At Legion Meet Just for Frolic

Owen Coffman Post No. 519, American Legion Tuesday night ratified the by-laws previously presented by Hilton McCabe which would create a new committee—the house committee, which would be composed of three men responsible to the post at large rather than to just the executive committee as in the past.

It was stated at the dinner-meeting that election of the three men would be held at the next regular meeting, and nominations were made—and closed—for seven men from whom the first three would be selected.

The men will serve for one, two and three-year terms with the top vote getting the chair- manship and the one-year term, etc.

Those nominated were Her- man Reich, Arthur Merrill, Gene Fox, Stanton Griffing, Barry Frost, George Strebe and Harold Lienau.

U. P. Time Change

Union Pacific's Tony Express, Train No. 38, now departs from Los Angeles at 7:30 p. m. instead of 6 as formerly, railroad officials said this week.
